Casting Director

## ECO-Cast Tips

### SELF-TAPE Instructions

- Earliest Submissions get the earliest consideration!
  - You *must* confirm where you got this audition notice
- 1) Hold camera horizontally!
  - 2) TAKE 1 Slate: close up, announce your name and agency, profile both sides  
If you do not have representation, say “self-submit”, and provide your phone number
  - 3) TAKE 2 Waist up, perform the dialog directly to the camera.
  - 4) TAKE 3 Perform, do an action without dialog that would pertain to your character, for example the “Writer” would be researching and writing and coming up with a great idea. “Teacher” would be teaching, maybe doing a lesson on a blackboard.
  - 5) Give your video files a name such as: Jane Smith\_Slate, or Jane Smith\_Take1
  - 6) Upload your video(s) to Eco-Cast
  - 7) NOTES: Please include notes to casting if there is any schedule or location information that we should know.

Your TV sits this way

Not this way

So hold your phone this way when filming
