NOT an IN-Person AUDITION!

SELF-TAPE Instructions

- Earliest Submissions get the earliest consideration!
 - You *must* confirm where you got this audition notice
- 1) Hold camera horizontally!
 - 2) **TAKE 1** Slate: close (from your shoulders up), announce your name and agency, show profile both sides. If you do not have representation, say "self-submit", and provide your phone number
 - 3) **TAKE 2** Waist up, in 20-39 seconds tell us a little about yourself, for personality, directly to the camera.
 - 4) **TAKE 3** Performance, do the actions from the script excerpts on the next page. You may do multiple takes if you wish.
 - 5) Give your video files a name such as: Jane Smith_Slate, or Jane Smith_Take1
 - 6) Upload your video(s) to Youtube in "unlisted" setting, or Vimeo in "private" and settings set to "downloadable" with password: [myaudition](http://myaudition.com). These settings must be adjusted from a computer (not from the Vimeo app on your device). Vimeo is preferred, because the quality and security is better.
 - 7) **EMAIL LINK** to TXLCasting@gmail.com with SUBJECT LINE: Must include your name, age (or 18+) and the role you are auditioning for. If you do not include your own name or the role in the subject, your audition *will* get lost. example: JANE SMITH (18+) for Teacher. You will just be copying the link into an email to send to us. Do not actually send us the video as an attachment.
 - 8) **Include** a small file size photo, contact info, and city you are in, in the body of your email and any notes to casting that we should know.
