### AUDITION NOTICE for Self-Tape for NELLIE

Dear Talent,

You have been selected to send in a self-taped audition. Since I will not be able to be in the room with you to give you directions please take the time to read this carefully as it will give you the best chance of being seen *and* remembered by the director.

If you were submitted on more than one casting database, it's *possible* you may get duplicate notices from me. Please don't let this confuse you!
